# Are pet owner questions stacking up?

*With Boehringer Ingelheim rebates, there's a simple way for pet owners to save on the products your clinic recommends. You'll find answers here to some commonly asked questions.*

## How do I save on these products?

You invest heavily in your pet's health, and our clinic has great savings available on the products you love. You can save on *NexGard*<sup>®</sup> PLUS (afoxolaner, moxidectin, and pyrantel chewable tablets), *NexGard*<sup>®</sup> COMBO (esafoxolaner, eprinomectin, and praziquantel topical solution), *NexGard*<sup>®</sup> (afoxolaner), HEARTGARD<sup>®</sup> Plus (ivermectin/pyrantel) and ORAVET<sup>®</sup> Dental Hygiene Chews by purchasing these products through our veterinary clinic.

## Are these deals available if I buy online?

Yes, these offers are also available through our online pharmacy, so you can shop online if you prefer.

## How can I always get the best deal?

These offers are only available on products purchased from a veterinary clinic. You can always give us a call to see what offers are available, or visit [BIPetRebates.com](http://BIPetRebates.com) for the most updated deals.

## How do I get help?

You can always check current offers and check the status of a rebate by visiting [BIPetRebates.com](http://BIPetRebates.com) or by calling the customer rebate team at Boehringer Ingelheim at 800-307-7000.

## Satisfaction Guaranteed.

Boehringer Ingelheim has a legacy of developing a range of safe and effective products that help protect pets. We create products to protect animals, help keep them healthy, and give veterinarians and pet owners peace of mind. We are proud to offer competitive product satisfaction guarantees.

We have the portfolio that provides trust, safety and efficacy.

**IMPORTANT SAFETY INFORMATION:** *NexGard*<sup>®</sup> PLUS (afoxolaner, moxidectin, and pyrantel chewable tablets) is for use only in dogs. The most frequently reported adverse reactions include diarrhea, vomiting, lethargy, and itching. Use with caution in dogs with a history of seizures or neurologic disorders. Dogs should be tested for existing heartworm infection prior to starting a preventive. For more information or full prescribing information, speak with your vet, call 888-637-4251 or visit [NexGardPLUS.com](http://NexGardPLUS.com).

**IMPORTANT SAFETY INFORMATION:** *NexGard*<sup>®</sup> COMBO (esafoxolaner, eprinomectin, and praziquantel topical solution) is for topical use only in cats. Use with caution in cats with a history of seizures or neurologic disorders. The most frequently reported adverse reactions include vomiting, application site reactions, and anorexia. If ingested, hypersalivation may occur. Avoid direct contact with application site until visibly dry. For more information, speak with your vet, call 888-637-4251 or visit [NexGardCOMBO.com](http://NexGardCOMBO.com).

**IMPORTANT SAFETY INFORMATION:** *NexGard*<sup>®</sup> (afoxolaner) is for use in dogs only. The most frequently reported adverse reactions include vomiting, itching, lethargy, diarrhea and lack of appetite. Use with caution in dogs with a history of seizures or neurologic disorders. For more information, or full prescribing information, speak with your vet, call 888-637-4251 or visit [NexGardForPets.com](http://NexGardForPets.com).

**IMPORTANT SAFETY INFORMATION:** HEARTGARD<sup>®</sup> Plus (ivermectin/pyrantel) chews are for use in dogs only. Following the use of HEARTGARD<sup>®</sup> Plus in dogs, digestive and neurologic side effects have been reported. All dogs should be tested for heartworm infection before starting a preventive program. For more information, or full prescribing information, speak with your vet, call 888-637-4251 or visit [HEARTGARD.com](http://HEARTGARD.com).
